

Entrance Doors & Screens

A striking front door, an entrance to be proud of – stunning, secure and strong. We have been producing doors for more than 180 years. Available in almost any paint or stain colour and in a range of design options with glazing units and a wide range of profiles. Our doors are made from Accoya or Hardwood for a long life and peace of mind.

Entrance Doors & Screens

Key Features

- High security multipoint locking systems with adjustable keeps and adjustable hinges
- Kite marked door cylinder, anti-pick, anti-bump, anti-drill
- Hardwood, oiled timber cills for ease of maintenance
- 58mm thick door leaves for added strength and stability
- Double doors have a pair of handles for a balanced look on both doors

Handles

A wide range of contemporary or traditional lever handles are available, all operating our multi point locking system and house anti snap / anti bump cylinders as standard.

Hinges

3D adjustable hinges as standard. The ability to adjust the hinge +/- 3mm in 3 directions for easy adjustment.

Cill

All doors are supplied with hardwood cills, oiled as standard, which provides a hardwearing finish that isn't easily damaged. Disabled access threshold also available.

Letter Plates

A choice between traditional letter plates with a matching internal tidy in a variety of colour finishes or a contemporary sleeved letter plate to match other chosen hardware.

Panels

A wide range of insulated panels for thermal performance. Raised and Fielded or Grooved panel finishes are available, and can be sourced in clear face timber for stained finishes.

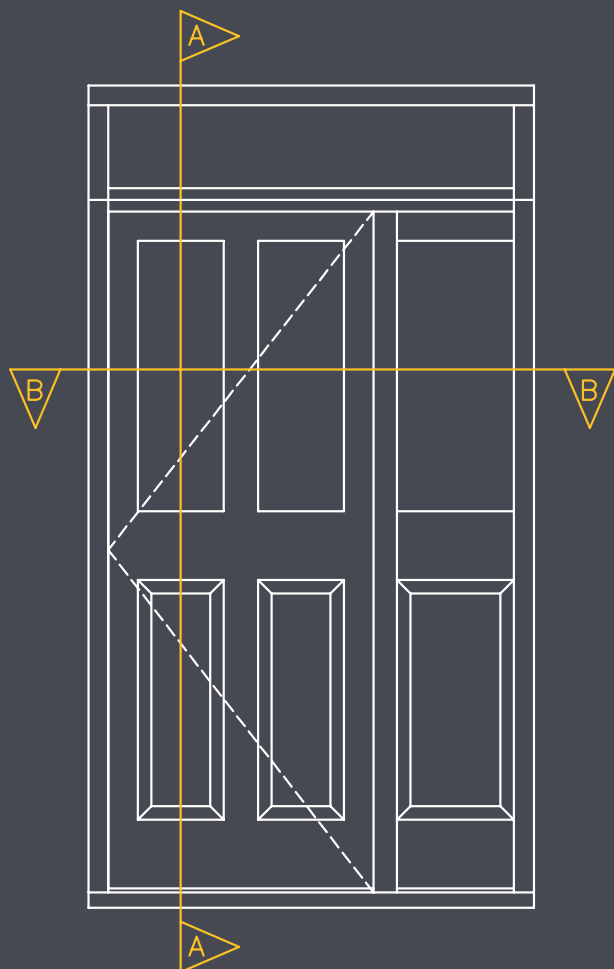

Stable and Bi Folding Doors

Stable and bi folding doors are available in a wide variety of bespoke designs. All our doors have excellent performance as standard and are fully weather sealed.
